Board of County Commissioners

Re: Veteran Advisory Board

Dear Commissioners:

The Veteran Advisory Board (VAB) is requesting a modification to its member alignment. Eileen Boylston is the current WorkSource representative but is expected to retire in October 2023. She is truly the subject matter expert in the matter of the annual standdown and we do not want to lose her valuable knowledge.

The VAB requests to change Ms. Boylston to the vacant At - Large position. When a new WorkSource representative is hired, they will be appointed to that position. The Veteran Advisory Board has voted on this matter, and all were in favor to bring forth this request to you.

Thank you for your consideration on this matter.

Respectfully

A handwritten signature in black ink, appearing to read "Ken Slininger".
